### TRADE DESCRIPTIONS ACT

We are continually improving our products, so specifications or design changes may be made during the lifetime of this catalogue. Colour photography and printing are as accurate as possible but slight variations in colour must be expected. All measurements are approximate.

### RECYCLING

Please help us minimise the effect we have on the environment by recycling.

All dimensions in millimetres unless otherwise specified.

All Prices in EUR Ex VAT, E&OE.

DESKING

## ASHFORD

Ashford combines looks and practicality with outstanding durability at an affordable price.

Metal legs are manufactured from 16 gauge steel, powder coated in silver. All desk tops and panel legs are constructed from E1 grade heat and scratch resistant 25mm melamine panels.

A complete range of matching pedestals, filing & storage units are available. See page 25.

### FEATURES

- 25mm Tops.
- 25mm Panel Legs.
- Steel legs 30 x 50mm coated in highly resistant powder paint.
- Adjustable feet on all items.
- Impact protective edging.
- E1 grade panel with Environmental certification.
- Desk tops come complete with 2 x 80mm cable portals.
- Test Certified to EN527.

## DESKING

# KOMO

With a variety of desk sizes, Komo is a highly flexible system which allows for a multitude of workstation configurations. Cable managed legs, optional cable baskets and CPU holders provide discreet cable management.

Metal to metal fixings allow for simple re-configuration, whilst elegantly curved tops complete with pearl nickel aluminium portals, add that all important finishing touch.

**KOMO CRESCENT DESK**

Pictured here is a 2 person configuration using 1600 x 1200mm crescent desks with freestanding desk high pedestals, the chair is OA mesh found on page 47.

A complete range of matching pedestals, filing & storage units are available. See page 25.

**FEATURES**

- 25mm Tops.
- Formed steel legs with integrated internal cable management. Powder coated in high resistant silver RAL9006 paint.
- All paint used is completely solvent-free and offers up to 99% material utilisation. Consequently, this coating method is incredibly economical and, at the same time, eco-efficient.
- Legs and tops are joined with metal to metal fixings which add extra strength and allow for simple reconfiguration.
- 2 Aluminium Desk Top Cable Portals per Desk.
- Adjustable feet on all items.
- Impact protective edging.
- E1 grade panel with Environmental certification.

# MAKE THE RIGHT FIRST IMPRESSION WITH ONE OF OUR IMPRESSIVE MODULAR RECEPTIONS

Pictured here is the TRESTA range from Balma, a modern and attractive modular reception desk. Available for special order.

## DESKING

# LEAP

Leap is an electrically adjustable range of desking comprising of a single stand alone desk & bench desk. Our frames can be manually expanded to accommodate tops from 1200mm to 1800mm in width and electronically adjusted from 655 to 1255mm in height, all at the touch of a finger with the touch sensitive controls.

Each user can adjust their own desk height individually via the standard 2 button or optional memory master control unit.

Leap also features anti trap technology meaning if it encounters an obstruction as it is going down it will stop and retract 2cm. Leap is test certified to EN527.

## FEATURES

- Height min. 630/max.1230mm, Stroke 600mm.
- Speed 45mm/s.
- Width min.1100/max.1700, Frame depth 800mm each side + 25mm security gap.
- Dynamic capacity 80kg.
- Increase productivity and avoid the 3 o'clock slump by regularly standing up and sitting down.
- Increase wellness of employees.
- Reduce the number of sick days.
- Increase productive output.
- Decrease costs of labour insurance.

MEETING TABLES & CANTEEN

# CANTEEN BENCHES

The canteen tables we offer are especially designed for office canteens.

Durable enough to withstand a busy lunch time! The tables are easy to wipe clean, allowing the area to be kept neat and tidy even in busy circumstances.

## FEATURES

- Impact resistant edges and easy to clean surfaces.
- Many special colours to pick from.
- Optional power and charging ports.
- Ideal for any canteen or breakout area.
- Minimalist design and durable construction.
